

Cut and Paste GROUNDHOG CRAFT

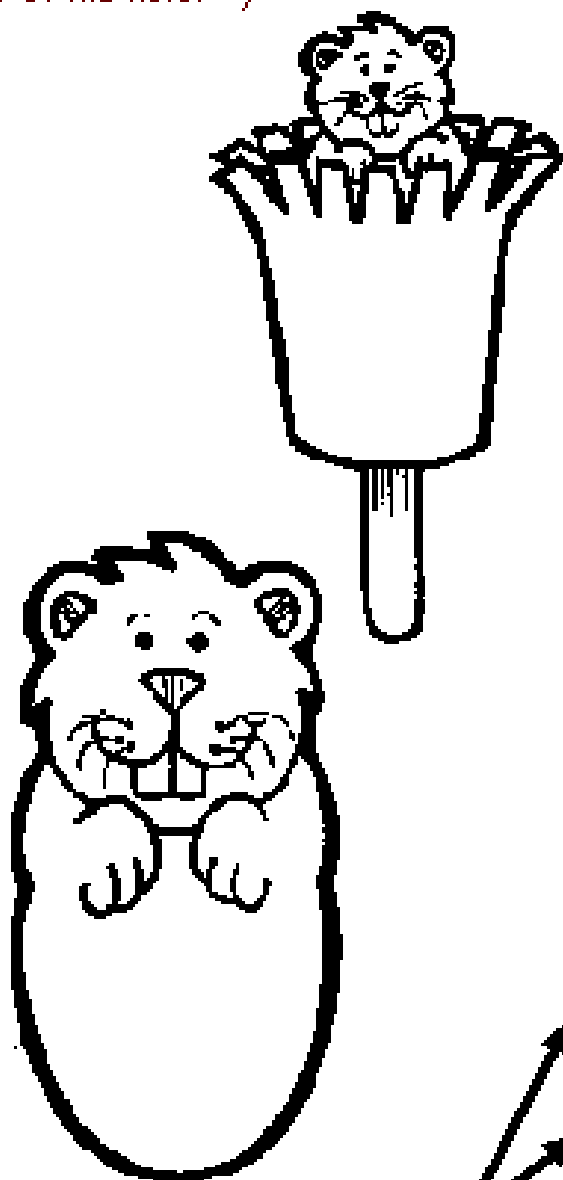

Cut and Paste GROUNDHOG CRAFT

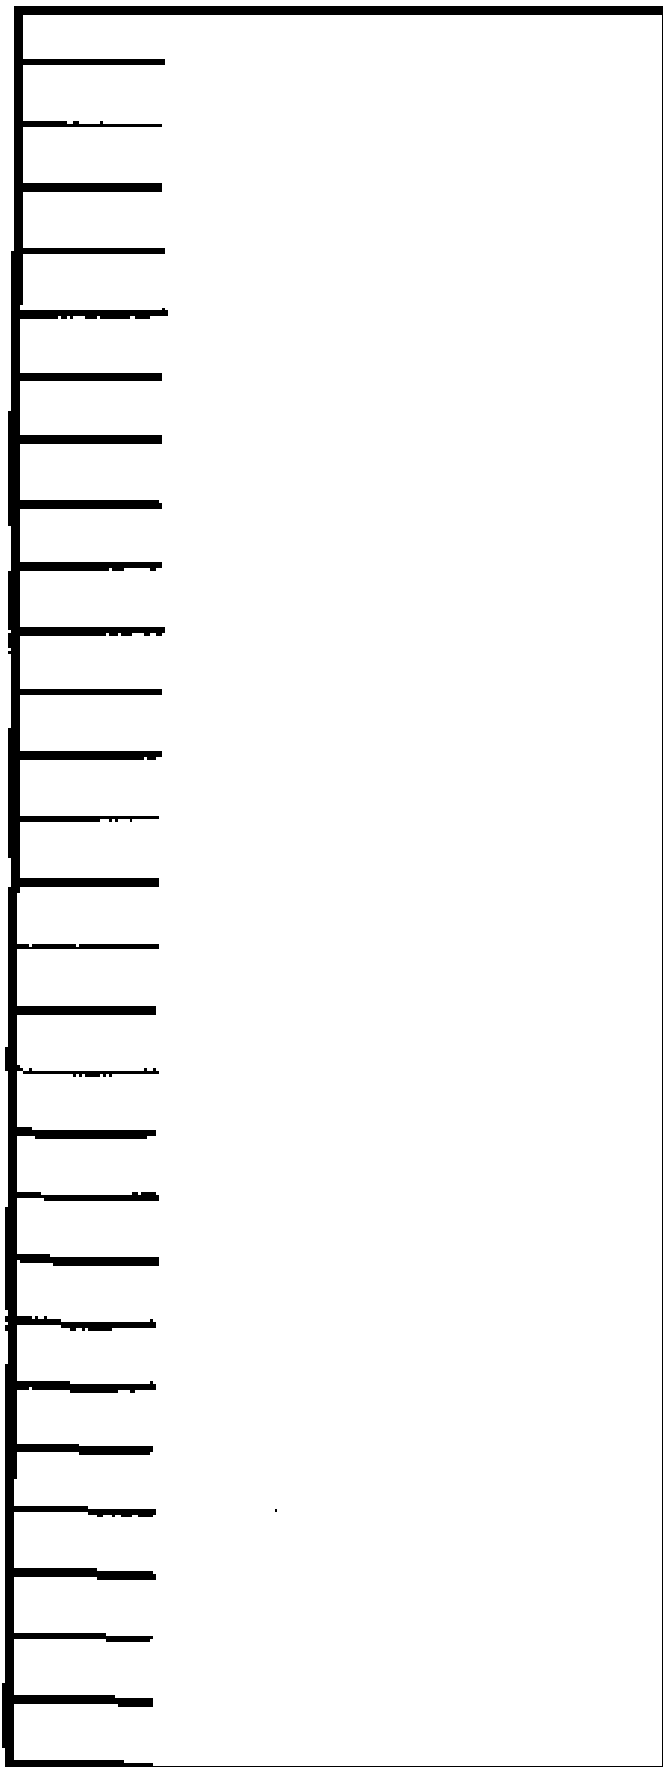

Groundhog Pop-Up

Glue fringed strip (color it green) onto the outside of a styrofoam drinking cup. color the ground hog brown and glue him onto a popsickle stick. Cut a slit the same width of the stick and slide the stick inside the cup.

Kids will love to hold the cup and slide the stick up and down to make the ground hog come ot of his hole! :-)

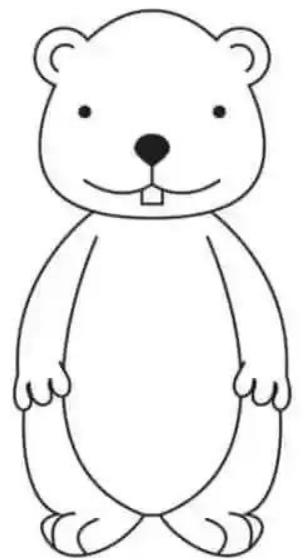

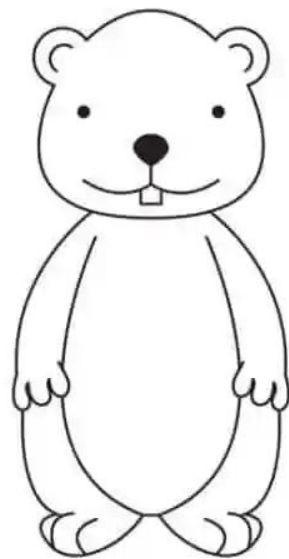

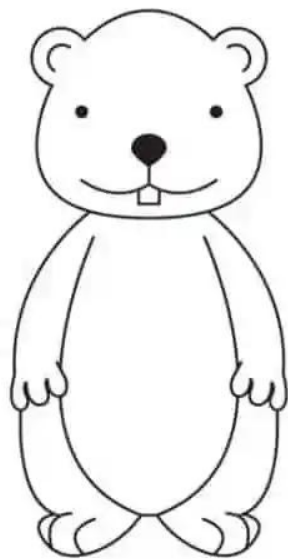

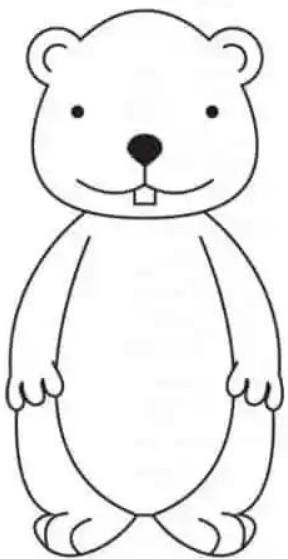

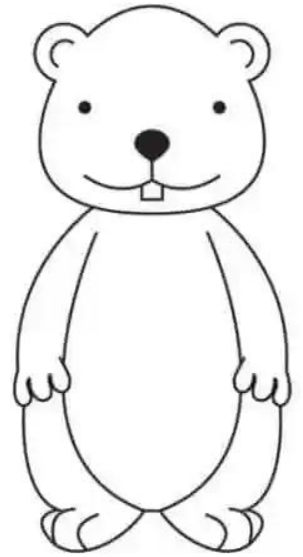

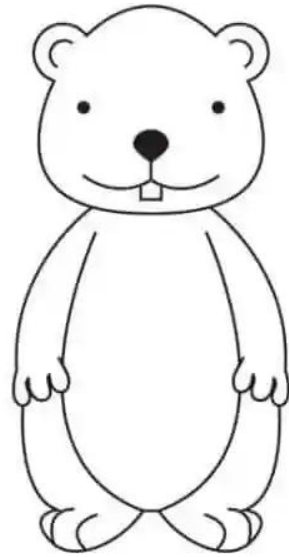

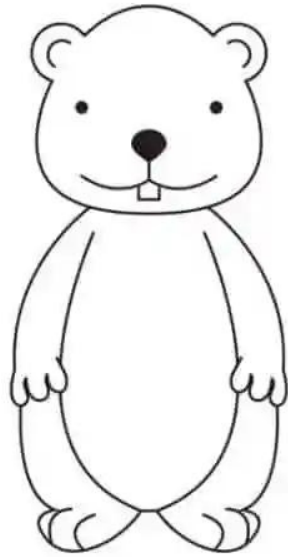

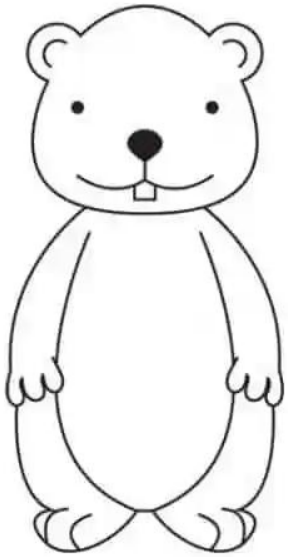

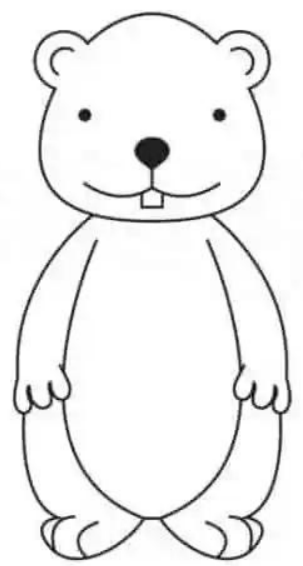

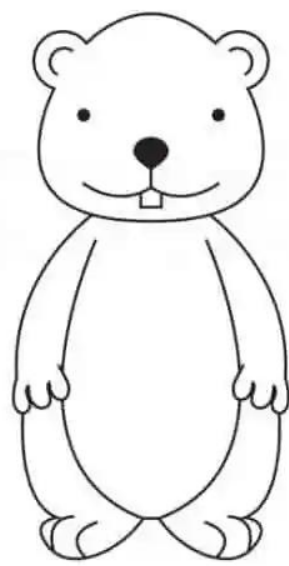

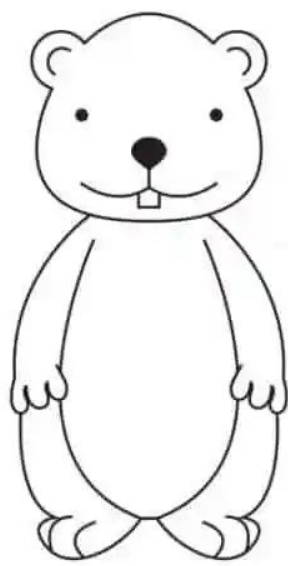

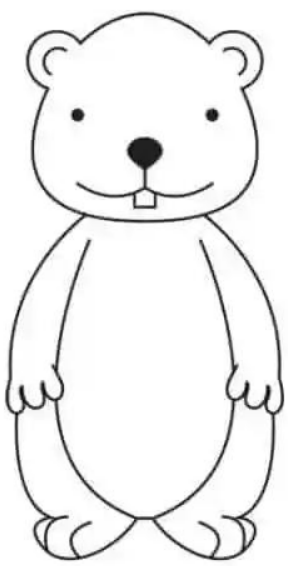

Cut on the
fringed lines
