boyayalım.**

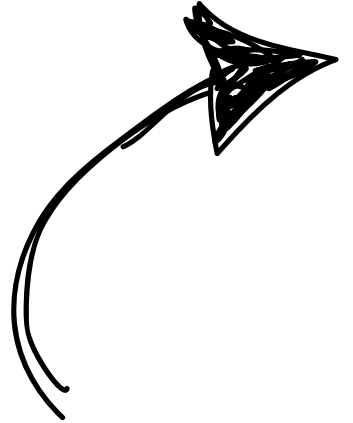

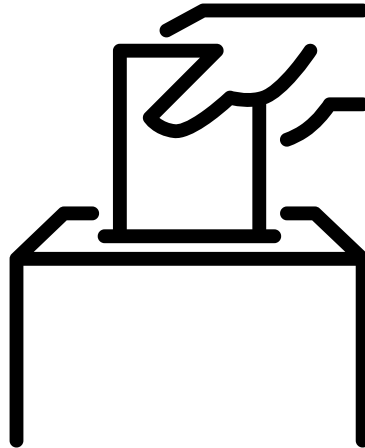

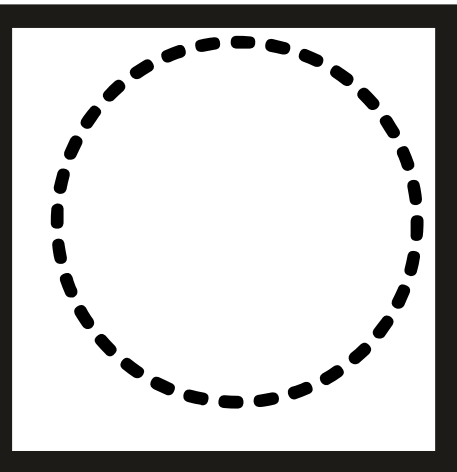

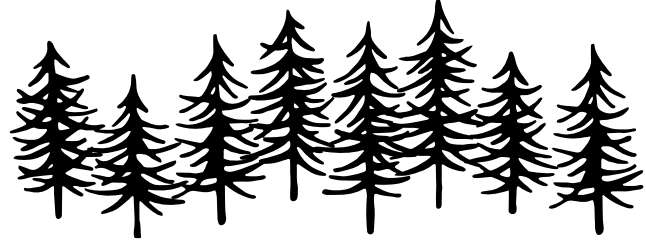

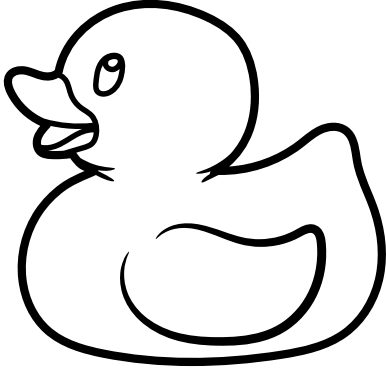

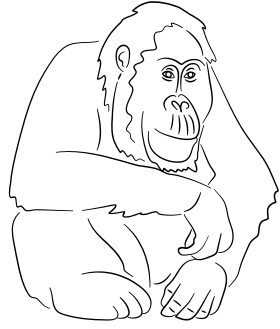

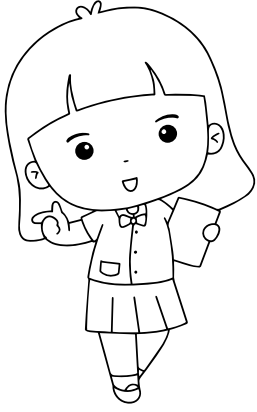

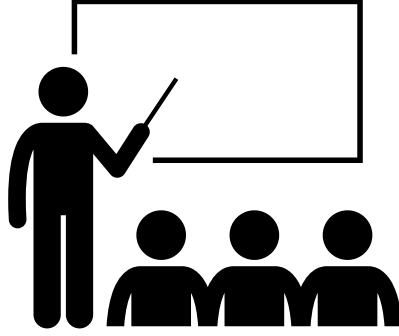

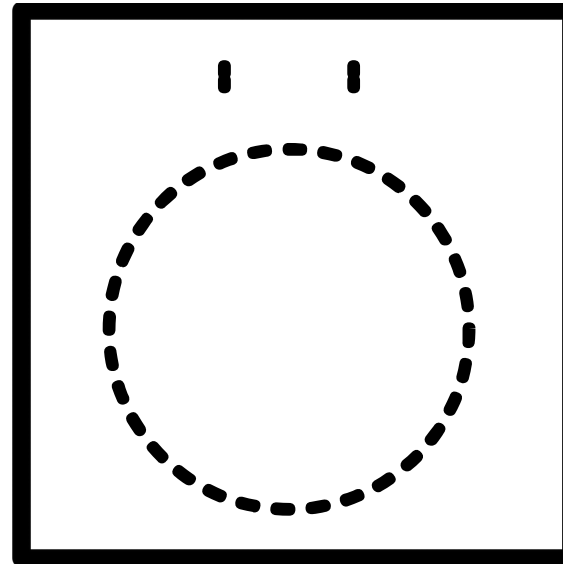

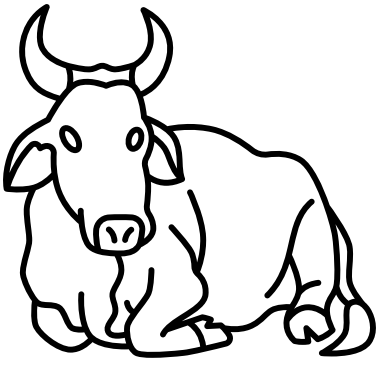

Yukarıda şekillerle oluşturulmuş örüntüleri inceleyelim. Soru işareti yerine ne gelmeli çizelim.

Sevgili robotumuz Miki onu yapan Yazılım mühendisine gitmek istiyor. Oklarla gideceği yönün kodlarını yazabilir misin? Unutma X olan karelerden geçemez.

Meslekleri gölgeleri ile eleştirelim.

Görsellere dikkatle bakalım hangi ses ile başlıyor söyleyelim ve o harfe götürelim.
