12 Rakamını kullanarak resim çizelim?

Aşağıda kaç tane tırtıl var?
Tırtılı boyayıp 12 rakamlarının çizgilerinden giderek tamamlayalım.

12 sayısının kesik çizgilerinin üzerinden kalem ile çizelim, toplama işlemlerini yapalım.

A dashed rectangular box containing an addition problem. On the left, there are six leaves arranged in two rows of three. Below them is the number 6. In the middle is a plus sign. To the right of the plus sign are two leaves. Below them is the number 2. To the right of the two leaves is an equals sign.

A dashed rectangular box containing an addition problem. On the left, there are three umbrellas arranged in two rows: two in the top row and one in the bottom row. Below them is the number 3. In the middle is a plus sign. To the right of the plus sign is one umbrella. Below it is the number 1. To the right of the umbrella is an equals sign.
